Since the end of March our food pantry has been a source of hope for many families in our community. We are giving out 40 bags of groceries each week. The shelves are low! Please participate in Food on First next Sunday. Please donate non-perishable canned goods & staple items at drop off boxes located near entry points.

Would you help us pack or deliver bags?

Would you help us pack or deliver bags?

With safety in mind:

With safety in mind:

We will have specific time slots for people to come to the LAMBS room, so you can pack bags without being around anyone else.

We will have specific time slots for people to come to the LAMBS room, so you can pack bags without being around anyone else.

We have plenty of hand sanitizer and gloves, plus everything will be sprayed down with Lysol after each person has finished packing. Masks or face shields are encouraged.

We have plenty of hand sanitizer and gloves, plus everything will be sprayed down with Lysol after each person has finished packing. Masks or face shields are encouraged.

For our delivery teams: bags are dropped off at the front office of the school, so you can easily maintain social distancing and masks can be worn for the few minutes you will be inside the building.
