As the school year comes to a close, we want to thank you for your continued support of the LAMBS program. We know many of our Ware County students depend on the free breakfast and lunch served at school as their only meals during the week, so our LAMBS program provides food to help over the weekend.

Each week, a team of volunteers packs bags of food and delivers it to the school. Volunteers unload the delivery truck, and donors pay for the food. You pray for the students receiving the food. I can't thank you enough for your part in making this happen.

Because of your support of this program, 8,000 bags of food went out this year to students. That's 25,000 meals to kids who would have gone without.

Thank you for your commitment to fight food insecurity for the children and youth in our community.

Susan
